

Spotify Profile Creation & Integration Guide

Part 1: Create a Spotify Account

Go to <https://www.spotify.com> and click on Sign Up.

Enter your Email, Password, Name, Date of Birth, and Gender.

Click Sign Up to create your account.

Part 2: Set Up Your Spotify Profile

Open Spotify and log in to your account.

Click on your profile icon and go to Profile.

Add a profile picture and basic details.

Part 3: Upload or Share Music

Spotify does not allow direct uploads from users.

To upload music, use distributors like TuneCore, DistroKid, or CD Baby.

Upload your music through these platforms to publish on Spotify.

Part 4: Copy Spotify Profile or Track Link

Open your Spotify profile or track.

Click on the three dots (•••).

Click Share → Copy Link.

Part 5: Add Spotify Link to Profile

Go to your Talent Dashboard.

Click Edit Profile.

Paste the Spotify link in the Spotify URL field.

Click Update Profile.

Important Tips
