

YouTube Video Upload & Profile Integration Guide

Part 1: Create a YouTube Account

Go to <https://www.youtube.com> and click on Sign In.

Click on Create Account and enter your details (Name, Email, Password).

Verify your account using OTP.

Part 2: Create Your YouTube Channel

Click on your profile icon and select Create Channel.

Enter your channel name and upload a profile image (optional).

Click Create to complete setup.

Part 3: Upload a Video

Click on the + Create button and select Upload Video.

Choose your video file from your device.

Enter Title, Description, and Thumbnail.

Select Public and click Publish.

Part 4: Copy Video Link

Open your uploaded video.

Click on Share and then Copy Link.

Part 5: Add Video to Profile

Go to your profile dashboard.

Click Edit Profile.

Paste the YouTube link in the YouTube Video field.

Click Update Profile.

Important Tips

Use high-quality videos.

Keep content engaging.

Use proper titles and thumbnails.
